The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue *Department.*

SIR

I have the honour to forward herewith copy of letter No.H.C.291 of 23-24 dated 25th July 1924 from the Deputy - - Commissioner,Mysore District, in the matter of paying after the end of June 1924 Village Improvement work bills out of the Special allotment of Rs.1000/- made to the District last year in this office No.D.1 dated 8th December 1923 and to state that as the procedure in the case of ordinary Village Improvement works was that the bill might be passed at any time for payment provided the grant sanctioned to that work was placed at the credit of the work, the Comptroller was written to furnish his opinion in the matter; and he has stated in reply that the said allotment of Rs.1000/- sanctioned for 1923-24 lapsed with the close of the year and that no payment made or to be made this year can be taken or met out of that grant. It is seen from the Deputy Commissioner's letter that a sum of Rs.491-10-8 was sanctioned in respect of 5 Village Improvement works, and that the amount was also placed at the credit of these works. The contribution of the villagers in respect of these works was waived as they were too poor to pay it.

In the circumstances, I request that Government may be pleased to sanction a sum of Rs.491-10-8 for making payment

of bills in respect of the works under reference.

I have the honour to be,
Sir,
Your most obedient servant,

N Handy

Revenue Commissioner.

MAH.

Letter No.R.H.C.291/23-24 dated 25th July 1924 from the Deputy Commissioner, ~~in~~ Mysore District to the Revenue Commissioner in Mysore.

Adverting to your memo No.D.1/23-24 dated 8th December 1923 sanctioning a sum of Rs.1000/- for providing grants to Village Improvement Distress works I have the honour to state that a sum of Rs.491-10-8 was sanctioned for the marginally noted works in Nagamangala Taluk out

1.Deepening Katte at Dadamadike	Rs.100- 0-0	of the
2.Repairing pond at Koppa	60- 0-0	
3.Deepening Katte at Cholasandra	125- 0-0	above and
4.Deepening Katte at Holalu	166-10-8	
5.Deepening pond at Padaval Mallara-halli	40- 0-0	that the
		grant so

sanctioned was also placed at the credit of those works. The contribution of the villagers, was also ordered by you, to be waived in respect of these works, as the villagers were reported to be too poor to pay any contribution.

2. But, these works, for which grants were sanctioned out of the aforesaid special allotments, have not been completed by the end of June 1924. A final bill in respect of deepening Katte at Dadamudike has now been received in this office for payment. I request to be informed as to whether the bills in respect of the above works, may now be passed for payment, the cost being debited to the special allotment of Rs.1000/- sanctioned for the year 1923-24.

In this connection it may be added that in the case of ordinary village Improvement works the procedure is that the bill may be passed for payment at any time, provided the grant sanctioned to that work is placed at the credit of the work. In the case of these works also the grants sanctioned, have been placed at the credit of those works.
